Lenovo

Overview

Lenovo USB-C 65W AC Adapter is designed to keep your workflow seamless and your devices ready when you are. Crafted for select Lenovo laptops, this original adapter delivers reliable, high-efficiency power, making it the ideal companion for busy professionals. Whether you need a spare for the office or a replacement at home, this adapter ensures your notebook is always charged.

Key Features

Uninterrupted power

Experience reliable power delivery with up to 65W output. This ensures your notebook charges quickly and efficiently, even during the busiest workdays.

Effortless compatibility

Made for Lenovo devices, this adapter delivers consistent and reliable power across multiple compatible models. Its universal compatibility means it's safe, reliable, and built to seamlessly integrate.

Universal connector

The USB-C connector not only supports faster charging but also provides higher power efficiency. Its sleek design complements modern laptops while ensuring a reliable connection.
