Charging solutions

Catalog

Smart, connected solutions that make it easier to manage devices in schools, government offices and businesses (charging cabinets for secure storage and easy transport of large numbers of devices between different rooms, charging suitcases for inter-workplace mobility, or Tabidock and Naocase for secure management of smaller numbers of devices – a wide range of solutions for safe storage and charging).

Take advantage of optimised charging systems that guarantee the longevity of your batteries and fast recharging so that your devices are always ready for use.
