Lenovo Dual USB-C 65W GaN Charger

Smart power in a small package.

The Lenovo Dual USB-C 65W GaN Charger is the pinnacle of portable power. Lightweight and ultra-compact, it lets you effortlessly charge your laptop and an additional mobile device at the same time. Engineered to meet Lenovo standards, it delivers fast, safe, and reliable charging across multiple laptop series, ensuring your devices stay powered and protected wherever you go.

Why you need the Lenovo Dual USB-C 65W GaN Charger

Next-level efficiency

Built with cutting-edge Gallium Nitride (GaN) technology, this charger is smaller, lighter, and more efficient than traditional adapters. It delivers up to 65W of clean, safe power, charging your devices faster while staying cool to the touch.

Dual USB-C productivity

Power two devices at once with intelligent distribution: charge one device at full 65W or split power between two devices with 45W and 18W outputs. Whether it's your laptop, smartphone, or tablet, this charger keeps all your essentials ready and charged.

Streamlined build

Designed for life on the go, its lightweight frame makes it easy to pack and carry. Slip it into your bag or pocket and stay powered wherever you work or play.
