Overview

When performance drives business, the ThinkPad Thunderbolt™ 4 Dock Gen 2 7000 delivers. Designed for multi-display workstations, it provides secure, reliable connections, supports up to an 8K @ 60 Hz display, and unlocks blazing-fast 40 Gbps data speeds. Empower teams with a docking solution built for modern enterprise demands.

Ideal For

IT Administrators | High-demanding Professionals

Key Features

Power your workforce

Created for professionals managing data-heavy workloads, this dock provides blazing-fast transfers, expansive multi-display support, and secure connections to maximize productivity while keeping every device running seamlessly.

Expand what's possible

Handle demanding workflows with support for one 8K @ 60 Hz display or dual 4K @ 144 Hz displays. Up to 100W PD 3.1 powers compatible laptops, while four always-on front USB charging ports keep accessories charged and teams operating without interruption.

Eco-friendly engineering

Make sustainability part of your business strategy with a design featuring 90% post-consumer recycled materials and 90% recycled, plastic-free packaging. TÜV-certified low-carbon footprint credentials help organizations advance their green commitments.
