Lenovo USB-C Universal Business Dock

A smarter way to work.

If you need a productivity boost, the Lenovo USB-C Universal Business Dock is built to deliver. Designed to thrive in mixed PC environments, it features a universal USB-C connection that delivers effortless plug-and-play with most USB-C laptops*. When you pair that with our industry-leading performance and enhanced user experience, it's easy to see how a Lenovo dock can make you more effective.

Why you need Lenovo USB-C Universal Business Dock

Goodbye clutter. Hello creativity.

The Lenovo USB-C Universal Business Dock is for professionals who are tired of being weighed down by messy workspaces. With 9 helpful expansion ports, it's never been easier to optimize your workspace and workflow.

Just one cable. Really.

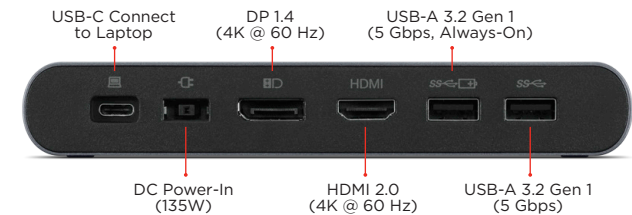

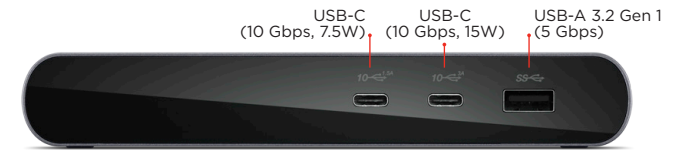

A single cable is truly all you need to enjoy lightning-quick data transfers, dual 4K monitors, and rapid charging for laptops up to 65W with the included adapter or up to 100W with the optional 135W adapter.

Universal. No headaches.

Enjoy a hassle-free universal experience thanks to the USB-C (PD 3.0. Standard) connection that provides next-level plug-and-play in most mixed PC environments.

* Lenovo USB-C & Thunderbolt™ Docks function with notebooks that support industry standard USB-C Alt-Mode or Thunderbolt™ protocols through their Type-C port. Lenovo USB-C and Thunderbolt™ Docks support additional features, such as MAC address pass-through, WOL and mirrored power button, on most Lenovo ThinkPad notebooks, but such features may not be available on certain other Lenovo notebooks or non-Lenovo branded notebook systems.
