Lenovo USB-C Slim Travel Dock

A smarter way to work.

Stay ahead of the curve in today's fast-paced digital world with the power-packed Lenovo USB-C Slim Travel Dock. With 8 strategically positioned ports, you'll enjoy a surge of productivity wherever you are. It also efficiently drives a 4K display, provides up to 65W PD to USB-C laptops*, and champions sustainability with 66% recycled content in the exterior.

Why you need Lenovo USB-C Slim Travel Dock

Anywhere hybrid productivity

Embrace remote work with the stylish Lenovo USB-C Slim Travel Dock, designed for the modern professional. This 8-port device isn't your regular dock - it's a productivity powerhouse for every location.

Unleash visual brilliance

Featuring 4K @ 60 Hz resolution support, this dock ensures high-quality, lag-free visuals, whether you're engaged in a critical video conference or lost in creativity. Plus, the USB ports offer smooth data transfer, enhanced by innovative cable management.

Plug, play, and power your laptop

This dock is fashioned to support a smooth multi-device connection, making transitions and collaborations a breeze. Designed to be universal, it supports any USB-C laptop* up to 65W via a single cable connection, ensuring you connect, communicate, and create more effectively.

Balance aesthetics and sustainability

The Lenovo USB-C Slim Travel Dock embodies a powerful statement in a sleek, compact form. Its Eclipse Black exterior captures its internal power and efficiency. More than just a pretty face, it includes a 66% Post-Consumer Recycled Content (PCC) exterior, marrying high performance with environmental consciousness.
