Lenovo 350 Bluetooth Silent Mouse (Fan Edition)

Everyday performance meets passion.

The Lenovo 350 Bluetooth® Silent Mouse brings quiet precision to your fingertips. With silent clicks, 3-level DPI control up to 2400, and a scroll wheel that moves at your rhythm, it turns everyday tasks into intuitive, joyful moments. Designed to embrace your dream team, on the field and on your desk.

Why you need the Lenovo 350 Bluetooth Silent Mouse

Silent performance

Transform your daily to-do's into a calm and controlled rhythm. With silent clicks and a design that provides comfort and focus through long hours, it makes staying productive simple. Plus, with customizable buttons and 3-level DPI up to 2400, it makes easy work of any task.

Built to do more

Effortlessly switch between two devices with cutting-edge Bluetooth® 5.3 technology—strong, secure, and seamless across all major platforms. It's freedom to work your way, wherever your desk (or couch) may be.

Quality. Redefined

With a staggering 36-month battery life, this mouse is built for the marathon, not the sprint. Crafted to meet Lenovo's highest standards, it's a steadfast companion that never quits—quietly reliable, powerfully efficient.

Set-up and Information Posters

¹ May vary depending on usage. | ² Lenovo 350 Bluetooth Silent Mouse incorporates certified post-consumer recycled plastic in its plastic components. This initiative breathes new life into plastic derived from old consumer electronics, effectively contributing to the reduction of our carbon footprint. By integrating recycled materials, the mouse exemplifies a commitment to sustainability without compromising on performance.
