Lenovo PS8S Portable SSD

Portable storage. Made extreme with a slimmer design.

The ultimate solution to blazing-fast portable storage. With read speeds of up to 1050 MB/s and write speeds of up to 1000 MB/s, you can edit like a pro even while you're on the move. Plus, with its compact and lightweight design you'll have access to high performance storage with a large capacity wherever and whenever you need it. Get ready to revolutionize the way you work and play with the Lenovo PS8S Portable SSD.

Why you need Lenovo PS8S Portable SSD

Extreme performance

Harness speeds of up to 1050 MB/s with our charged USB 3.2 Gen 2* port and enjoy seamless compatibility with various devices, with the 30 cm USB-C to USB-C cable included.

Unmatched portability

Carry your world in the palm of your hand with this remarkable storage solution weighing only 40 g and giving you the freedom to take your data with you wherever and whenever you need.

Maximum durability

This SSD offers improved durability compared to traditional hard drives. Crafted from solid aluminum, it provides added protection and security for your valuable data. Best of all, with a 3-year warranty, you get total peace of mind.

* Depending on many factors such as the processing capability of peripheral devices, file attributes, and other factors related to system configuration and operating environments, the actual transfer rate using the various USB connectors on this device will vary and is typically slower than the data rates as defined by the respective USB specifications: ~ 5 Gbit/s for USB 3.1 Gen 1; 10 Gbit/s for USB 3.2 Gen 1 & 20 Gbit/s for USB 3.2.

Quick Start Guide

accessorysmartfind.lenovo.com

¹ The capacity claimed is not the actual storage capacity.

² Depending on many factors such as the processing capability of peripheral devices, file attributes, and other factors related to system configuration and operating environments, the actual transfer rate using the various USB connectors on this device will vary and is typically slower than the data rates as defined by the respective USB specifications: ~ 5 Gbit/s for USB 3.1 Gen 1; 10 Gbit/s for USB 3.2 Gen 1 & 20 Gbit/s for USB 3.2.

³ The speed claimed is tested by Lenovo laboratory. The actual transfer speed may vary by your computer and its operating system, hard drive capacity, or applications.

⁴ Compatibility with host devices may vary. Some operating systems may require Lenovo PS8S Portable SSD reformatting.
