Lenovo Portable Rechargeable Presentation Remote

Small in size, big in performance.

Your ideas deserve more than just words—give them impact with the Lenovo Portable Rechargeable Presentation Remote. This compact, lightweight device adapts effortlessly to any screen setup. With powerful tools like a digital pointer and five presentation modes, it's your secret weapon for captivating any audience, anywhere.

Why you need the Lenovo Portable Rechargeable Presentation Remote

Always by your side

At just 19 grams, this ultra-light device fits effortlessly into your pocket, so you're always prepared to shine—whether in the boardroom or on the go.

Guide the spotlight

No matter the screen size or environment, the digital pointer keeps your audience's attention exactly where you want it, ensuring nothing gets lost in translation.

Bring ideas to life

Use advanced features like the on-screen cursor, magnify, and highlight tools to engage your audience. Lenovo's customizable buttons give you full command, while LADM app ensures fluid, intuitive interactions.
