Blue Light Screen Protectors

Catalog

We use digital devices for working, learning, and entertainment, exposing us to high-energy blue light. Long hours in front of screens can contribute to visual discomfort and sleep disruption, affecting focus and productivity.

Eyesafe Blue Light Screen Protectors are designed with doctors to reduce blue light, supporting comfort and well-being, while maintaining the natural color of your display.

Eyesafe Blue Light Screen Protectors

- Eyesafe Blue Light Screen Protector - ThinkPad T14 & ThinkPad X1 Carbon

BLUE LIGHT FILTERING SCREEN PROTECTORS

Eyesafe® Blue Light Screen Protector for ThinkPad T14 & ThinkPad X1 Carbon

Part Number (PN)
4Z11V35568

Exposure to blue light from our devices can contribute to visual discomfort and sleep disruption.

Eyesafe Screen Protectors:

- Reduce blue light in wavelengths of most concern to our eyes
- Support eye comfort during long hours on screens
- Maintain vivid display color
- Guard against scratches and damage
- Developed with eye doctors
- Utilize patented RPF60 technology
- Touchscreen friendly
- Antimicrobial properties

Specifications

Product Size	14"
Hardness	>3H
Material	PET Film + Adhesive System
Blue Light Filtration	60% (435-440 nm) / RPF60
Thickness	0.35mm +/-0.02mm

Eyesafe® Blue Light Screen Protector for ThinkPad L13

Part Number (PN)
4Z11V35569

Exposure to blue light from our devices can contribute to visual discomfort and sleep disruption.

Eyesafe Screen Protectors:

- Reduce blue light in wavelengths of most concern to our eyes
- Support eye comfort during long hours on screens
- Maintain vivid display color
- Guard against scratches and damage
- Developed with eye doctors
- Utilize patented RPF60 technology
- Touchscreen friendly
- Antimicrobial properties

Specifications

Product Size	13"
Hardness	>3H
Material	PET Film + Adhesive System
Blue Light Filtration	60% (435-440 nm) / RPF60
Thickness	0.35mm +/-0.02mm

BLUE LIGHT FILTERING SCREEN PROTECTORS

Eyesafe® Blue Light Screen Protector for ThinkPad X1 2-in-1

Part Number (PN)

4Z11V35570

Exposure to blue light from our devices can contribute to visual discomfort and sleep disruption.

Eyesafe Screen Protectors:

- Reduce blue light in wavelengths of most concern to our eyes
- Support eye comfort during long hours on screens
- Maintain vivid display color
- Guard against scratches and damage
- Developed with eye doctors
- Utilize patented RPF60 technology
- Touchscreen friendly
- Antimicrobial properties

Specifications

Product Size	14"
Hardness	>3H
Material	PET Film + Adhesive System
Blue Light Filtration	60% (435-440 nm) / RPF60
Thickness	0.35mm +/-0.02mm

Eyesafe® Blue Light Screen Protector for Chromebook Duet & Chromebook Duet EDU

Part Number (PN)

4Z11V35571

Exposure to blue light from our devices can contribute to visual discomfort and sleep disruption.

Eyesafe Screen Protectors:

- Reduce blue light in wavelengths of most concern to our eyes
- Support eye comfort during long hours on screens
- Maintain vivid display color
- Guard against scratches and damage
- Developed with eye doctors
- Utilize patented RPF60 technology
- Touchscreen friendly
- Antimicrobial properties

Specifications

Product Size	10.1"
Hardness	>3H
Material	PET Film + Adhesive System
Blue Light Filtration	60% (435-440 nm) / RPF60
Thickness	0.35mm +/-0.02mm

BLUE LIGHT FILTERING SCREEN PROTECTORS

Eyesafe® Blue Light Screen Protector for Lenovo 500e Yoga Chromebook Gen 4

Part Number (PN)

4Z11V35572

Exposure to blue light from our devices can contribute to visual discomfort and sleep disruption.

Eyesafe Screen Protectors:

- Reduce blue light in wavelengths of most concern to our eyes
- Support eye comfort during long hours on screens
- Maintain vivid display color
- Guard against scratches and damage
- Developed with eye doctors
- Utilize patented RPF60 technology
- Touchscreen friendly
- Antimicrobial properties

Specifications

Product Size	12"
Hardness	>3H
Material	PET Film + Adhesive System
Blue Light Filtration	60% (435-440 nm) / RPF60
Thickness	0.35mm +/-0.02mm

Eyesafe® Blue Light Screen Protector for Lenovo 300e Yoga Chromebook Gen 4

Part Number (PN)

4Z11V35573

Exposure to blue light from our devices can contribute to visual discomfort and sleep disruption.

Eyesafe Screen Protectors:

- Reduce blue light in wavelengths of most concern to our eyes
- Support eye comfort during long hours on screens
- Maintain vivid display color
- Guard against scratches and damage
- Developed with eye doctors
- Utilize patented RPF60 technology
- Touchscreen friendly
- Antimicrobial properties

Specifications

Product Size	11.6"
