Why Us?

For professionals who rely on precision and comfort every day, Lenovo keyboards and mice deliver input you can trust. Designed to work seamlessly with Lenovo PCs, our input devices combine ergonomic design, responsive performance, and long-term reliability—supporting focused work across any environment.

From refined key feel to self-charging innovation, every detail is engineered to feel natural and perform consistently. The result is input that supports focused, uninterrupted work—day after day.

Lenovo

Lenovo Professional Wireless Rechargeable Combo

PN: 4X31R64316 – 4X31R64360

All-In-One productivity. Made green.

**Rechargeable
by necessity**
